4. Explanatory notes

Stichting Good Food Great Cause had previously conducted activities but ceased active operations in 2020. No financial operations were conducted by the Foundation during 2025.

Commercial development and pre-sales activities associated with Afribol during this period were undertaken separately from Stichting Good Food Great Cause and did not constitute financial activity of the Foundation. The Foundation and the commercial enterprise are legally, financially and operationally separate.

The Foundation began institutional reactivation and preparation for future implementation during 2026. Substantive Foundation operations are anticipated to commence during 2027, subject to operational readiness.

5. Planned expenditure

No Foundation expenditure was planned or incurred during the 2025 reporting period. Future expenditure following operational reactivation will be directed toward the Foundation's charitable objectives in accordance with its current policy plan and available resources.

6. Document status

Prepared as part of the Foundation's financial transparency and institutional reactivation in 2026. This statement records the Foundation's financial position for the 2025 reporting period.
